We hope that you enjoy this evening's production of 3 One Act Plays. Whilst this is the sixth year our youngsters have presented a play, it is the first time that the Youth Workshop has a week to itself within the theatre programme, and we hope to make this a regular feature. As with previous years, all areas of the running of the production are in the safe hands of members of the Youth Workshop.

During the last year we started the Junior section (6-8year olds) and numbers have increased steadily, they also did a performance for parents on Wednesday evening. The leaders would like to take this opportunity to thank parents, company members, and the Archway Theatre Council of Management for their help and support during the last year. It is encouraging to see so many actively participating.....and still we have a waiting list!

It is hoped that the pantomime in January will afford some of the youngsters the opportunity to appear, but that as always will be down to the final choice of Panto, and the Directors needs.
